# Capital

Thanks to its many participating lenders, SBA Wyoming District Office guaranteed loan approvals totaled just over **\$43 million** during FY 2015.

## Benefits to borrowers

- Longer maturities, lower down payments
- Competitive interest rates, refinancing existing business debt

SBA guaranteed loans can be used for most business purposes, including

- Real estate – purchase or construction
- Machinery and equipment
- Inventory
- Working capital
- Financing start-ups & business expansions
- Some debt refinancing

# Contracting

Federal government contracts awarded in Wyoming totaled just over **\$281 million** during FY 2015, and of this, **\$54.7 million** was spent with Wyoming small businesses & other entities.

- SBA works with other federal agencies to ensure that small businesses get their fair share of federal contracting dollars
- SBA also works directly with small businesses, provides contracting training, and offers certification & self-certification contracting and business development programs
- The SBA Wyoming District Office has a co-sponsorship agreement in place with the Wyoming Entrepreneur PTAC to offer joint training in Wyoming

# Disaster Assistance

Last spring, following the President's federal disaster declaration as a result of the severe storms and flooding, SBA disaster assistance was available in Albany, Johnson, Niobrara and Platte counties.

- SBA works with FEMA and state and local agencies following disasters to assist individuals and businesses of all sizes
- Following a Presidential Disaster Declaration, loans are available to help individuals and businesses cover uninsured losses
